

CHILI - CONFERENCE ON HYBRID IMAGING LIVE

NOVEMBER 11, 2022 | LIVE FROM VIENNA

PROGRAMME

08:25-08:30 **Introduction to CHILI 5.0**
CLEMENS CYRAN, MUNICH /DE

INNOVATION FOR HYBRID IMAGING

08:30-08:55 **ImmunoPET in clinical decision guidance of immunotherapy**

08:55-09:20 **Total body PET/CT – the game changer?**

09:20-09:45 **How to set up a therapnostic center**

09:45-10:15 **AI in multimodality hybrid imaging**

10:15-10:30 **Discussion and Q&A with the experts**
Moderation: Clemens Cyran & Thomas Beyer

10:30-10:45 **Break**

ONCOLOGY - GUIDELINES AND STANDARD OF CLINICAL CARE

10:45-11:05 **PET/CT for Radiation Therapy Planning**

11:05-11:25 **FDG PET/CT for monitoring immunotherapy**

11:25-11:45 **Therapeutic management of lymphoma including with PET/CT (incl. CAR-T)**

11:45-12:05 **Breast Cancer therapy guidance with FDG PET/CT**

12:05-12:30 **Discussion and Q&A with the experts**
Moderation: Clemens Cyran & Thomas Beyer

ESHI^{MT} - European Society for Hybrid, Molecular and Translational Imaging

Am Gestade 1, 1010 Vienna, Austria

p +43 1 5334064-903 | office@eshi-society.org

www.eshi-society.org | ZVR 703077733

12:30-12:45 Break

SPONSORED SYMPOSIUM & DISCUSSION

12:45-12:50 TBA

12:50-13:05 TBA

13:05-13:10 TBA

13:10-13:25 TBA

13:25-13:40 Break

INFECTION AND INFLAMMATION

13:40-14:00 **A heart for PET/MRI – is there complementary value?**

14:00-14:20 **Hybrid imaging in inflammatory diseases**

14:20-14:40 **Bone SPECT/CT in orthopedics**

14:40-15:00 **TAU PET/MR in dementia**

15:00-15:25 **Discussion and Q&A with the experts**
Moderation: Clemens Cyran & Thomas Beyer

15:25-15:40 Break

SPONSORED SYMPOSIUM & DISCUSSION

15:40-16:00 TBA

16:00-16:10 TBA

ESHI^{MT} - European Society for Hybrid, Molecular and Translational Imaging

Am Gestade 1, 1010 Vienna, Austria

p +43 1 5334064-903 | office@eshi-society.org

www.eshi-society.org | ZVR 703077733

16:10-16:25 Break

THERANOSTICS

16:25-16:45 Theranostics in NET – State of the art and future perspectives

16:45-17:05 FAPI in oncologic imaging – the next FDG?

17:05-17:25 Hybrid imaging and theranostics in meningioma

17:25-17:45 Prospective studies in prostate cancer therapy guidance by PSMA PET/CT

17:45-18:10 Discussion and Q&A with the experts
Moderation: Clemens Cyran & Thomas Beyer
